<p>Q: Why do you believe you were incorrectly reported as AWOL?</p> <p><i>A. I January my AWOL does not have merit because the FT Richardson Occupational Nurse Ms. Carrier and my supervisor Mr. Moore had a 3 way conversation with me and the outcome was that I was to be on bed rest until Monday. When I returned to work I would bring a doctors note to account for my time. I did this and found that I had been reported AWOL. See letter from Ms Carrier.</i></p> <p><i>After my heart episode I e-mailed Ms. Carrier my Family Medical Leave Act paperwork as well as had my attorney Mr. MS Danna sent her a copy.</i></p>			
<p>Q: What was your understanding of how to process the FMLA?</p> <p><i>Basically, I would turn the paperwork in and I would be informed if the paperwork was denied. I never heard it was denied so I assumed it was approved. I had turned the paperwork into Ms Carrier and it was to be processed IAW her protocol.</i></p>			
<p>Q: What constituted the "illegal order?"</p> <p><i>I was given an order to show up in person prior to the start of shift and Mr. Danna was to then determine if I was ill.</i></p>			
<p>Q: How and when did you file an EEO complaint in January 05?</p> <p><i>I wrote a letter to Mr Martinez as per BG Hirsi request. In my letter I expressed a desire to file a formal EEO complaint. I also e-mailed a copy of my request to BG Hirsi and Col. Reoyo the USAREAK Chief of Staff. I never heard anything from my e-mail request. This request was sent by me around the middle of January 05.</i></p>

Dear General Hirai,

I really do not think that you believe I am serious about getting you to get control of your command. I have discovered a new hobby called blogging and have made you the center piece of my site. You obviously did not understand my last letter to you and Major Bilafer has decided not to respond to my last letter to him. So I have decided to go public. It will do no good for me to go to FT. Wainwright and file an EEO complaint as I already have filed one here as per your initial instructions with Ms. Martinez that Mr. and Ms. Pressley decided to stop with Colonel Reoyos help. Giving Mr. Pressley time to perform a CYA operation.

Check out the home page below. I think you will find it very interesting. Like I told you before no more lies or excuses. Either you are in command or you are not. Obviously you are not. Hope you and the press have fun. I have enclosed a letter to Major Bilafer can you see he gets it. The troops at FT. Richardson are giving my site rave reviews even though I am not finished with it and I still have a lot of bugs to work out. They are also giving me some great information about other areas that are out of control within your command. I will be placing in a section called other problems Troops in USARAK are having.

Well I have to go. I hope you have as much fun with my blog as I am having writing it. Remember, you lied to me by telling me to go to Ms. Martinez and Colonel Reoyo lied to a Senator and a Representative. I am passing this information to all members of Congress. A Blog is so much more efficient and cheaper than making CD's and sending them out.

Respectfully,

John R. Mitchell

P.S. I am not going away.
